EXPERIENCE

SCANDIT INC., CA 05/07/2015 - 12/1/2016

Senior Visual Designer and Web Developer, created designs, visually compelling motion pieces, unique icons, clean UI/UX Interfaces, for both the web and email. Collaborated with a team to design and create eBooks, White Papers, Case Studies, and Collateral (for interactive and print use. Designed and developed webpages for Wordpress and assisted in a revamp of their new website.

HUMPHRY SLOCOMBE, CA 05/10/2015 - 06/15/2016

Web Developer and Visual Designer. Contracted to create the new Humphry Slocombe website, they are a popular ice cream shop located in San Francisco, California. Designed the website in Sketch, created different mockups to show clients, coded the Humphry Slocombe website, built on a CMS platform.

GRADLE INC., CA 02/15/2015 - 07/25/2015

Web Developer and Designer. Creating designs and website flows for the new website Gradle.org, logo and icon creation, Web development within Wordpress / CMS, CSS development for pages and page elements. Working with a team of 7 to 10 daily.

OPTICAL UNDERGROUND, CA 10/22/2014 - 1/15/2015

Web Developer and Visual Designer. Created and developed a fully responsive E-commerce website and separate homepage. Applied a new grid system to their non-responsive Magento platform to make it fully functional and responsive on all website browsers and mobile platforms. Worked with a team of 3 other people to complete various projects for the beginnings of Optical Underground's first ever shopping website launch to reach new customers.

OMC DESIGN GROUP, CA 4/25/2014 - 8/15/2016

Web Developer and Designer. Designed and developed responsive websites, created content management (CMS) websites. Always created responsive websites with design in mind. Keeping the user in mind, I worked with clients to see what they would like in a website. Worked with website type, color choices, styling to see what the clients preferred the most. Keeping the client satisfied with the outcome was the highest priority.

BARTLETT BRANDS, CA 4/19/2014 - 6/12/2014

Web Developer and Designer. Worked with a team of 3 people at formerly "Rebecca Bartlett" to create and re-brand a completely new boutique design firm website, complete with a one-page design, project pages, and team pages. All coding was created by myself. Their new website is called Bartlettbrands.com, they are a Boutique Branding & Design Studio located in San Francisco, California.

FILMCAUSES, CA 1/25/2014 - 5/15/2015

Web Developer and Designer. Created websites and micro-sites for various documentary films. Created variations of logos for films which has been displayed in each website. Worked with Wordpress to create each website. Filmcauses is a non-profit film company the creates documentary films about current events and entertainment. Work for this company is created on an as-needed basis.

MEMBRIGHT, CA 1/15/2014 - 3/23/2014

Created and designed mobile user interfaces for an iPhone web and mobile app. Created variations of logos, icons, interactive website designs. Organized projects and meetings to present work. Gave good feedback on each segment of projects. Membright is a company where user can create and review quizzes and study them on-the-go. This app is based on science from the forgetting curve.

BILL OWENS DISTILLING / PHOTOGRAPHY, CA 6/15/2013 - 8/25/2013

Created and designed mobile user interfaces for an iPad app in which users can view and read books and be quizzed on their skills. Managed and maintained a distilling website created from Wordpress, managed their Whitemulepress website and created new web pages. Created various design interfaces.
